

Interpreting and Translating Solutions

Our network of professional interpreters and translators can assist you with important medical appointments, legal proceedings, corporate meetings, diplomatic, educational as well as other settings to fit your business needs.

Our professional interpreters and translators have the knowledge and expertise to cover a multitude of day-to-day business events.

- We are a trusted and respected interpreting and translating agency backed by more than 20 years combined experience in the industry, we know how to bridge the language and cultural gap in the business community.
- We have established a reputation for providing world-class customer care and service. Although we are a corporation, we operate much like a small business offering personalized services to all of our customers.
- We provide interpreters and translators that are the best in the industry. How? ILI, Inc. requires interpreters / translators to be certified through the Judicial Council/CPS and/or the ATA. Qualified interpreters must have a minimum of 5 years of interpreting / translation experience. All interpreters are required to go through a **strict contracting and screening process, prior to commencing services** with ILI, Inc.
